Child Guidance Policy

After The Bell Inc. is committed to providing a safe and secure environment for the children enrolled in the center. Part of this is following a Child Guidance Policy. It is expected that children will occasionally display inappropriate behaviors, therefore the staff will utilize strategies to deal with them. It is also understood that all children are different and strategies may need to be modified to suit the individual situations.

Staff Responsibilities:

After The Bell Inc employees *must* behave in a manner that does not harm any child who is enrolled in the center.

Strategies NOT used:

1. Corporal Punishment (striking a child directly or with any physical object; shaking; shoving; spanking; or any other form of aggressive physical contact)
2. Requiring a child to repeat physical movements
3. Using harsh, humiliating, belittling, or degrading responses in verbal, emotional, physical, or any other form.
4. Confining or isolating a child.
5. Depriving a child of basic needs, including food, shelter, clothing, or bedding.

Strategies Used:

1. Having a clear set of boundaries and expectations
2. Intervening when a behavior is unsafe or unfair
3. Working with the child to accept the consequences for his / her actions
4. Concentrating on the behavior, not the child
5. Looking for a positive outcome
6. Ignoring when appropriate
7. Having children experience logical consequences
8. Consistency
9. Team approach

Behavior Categories:

After The Bell Inc. has two sets of behavior categories described below.

Minor Misconducts:

1. Running inside the center
2. Leaving the room without informing a staff
3. Excessive noise while inside
4. Running away from the staff or group
5. Refusing to clean up or walking away from a mess a child has made in the center

Minor Misconducts are expected to happen from-time-to-time and are recorded in an Incident / Accident Form signed by the staff that took charge of the situation and the child's parent. This form will be placed in the child's form for future reference.

Major Misconducts:

1. Bullying other children (please find Bullying Policy attached)
2. Hitting, biting, scratching, pinching and pushing
3. Throwing objects
4. Swearing or using inappropriate language
5. Stealing

6. Ethnic or gender slurs
7. Disrespecting staff, other children parents or volunteers
8. Distracting or ruining group activities
9. Three Minor Misconducts
10. Graffiti and property or equipment damage
11. Smoking, drugs and alcohol

In the event a child's behavior is considered to be Major Misconduct it is expected that parents of that child work in a close partnership with the staff at After The Bell Inc. If a parent refuses to work with the staff, child care is terminated immediately.

Steps Taken for Major Misconducts:

The following are steps taken for Major Misconducts. It is imperative that all parents accept these steps to ensure consistency for a positive outcome.

Step One:

A meeting is arranged for the child, parents, and a staff member. During the meeting a strategy is developed and implemented to resolve the problem.

Weekly meetings will be held with parents and staff to discuss progress or any issues regarding the child's behaviors.

Step Two:

A meeting is arranged for the child, parents, Program Staff and Program Owner to discuss alternate measures. These measures include loss of privileges such as computer time, play stations, group tournaments or upcoming field trips or special events. Parents must make alternate child care arrangements should their child have to stay back from a field trip.

If warranted the Program Staff and parents will work together to seek help from outside agencies. Daily discussions via phone or e-mail are to be held during the resource search.

Weekly meetings with parents and staff discussing progress and any issues regarding the child's behavior.

Step Three:

A meeting between the child, parents, Program Staff, and Program Owner is held. A contract is to be signed by all personnel in meeting, and a suspension may be given.

Step Four:

One month's written notice will be given to terminate child care at After The Bell Inc.

Please note, if a child displays behavior that could potentially harm another child, staff member or parent that After The Bell Inc. has the right to terminate care immediately with no written warning.

I have read and understand the After The Bell Inc. Child Guidance Policy.

Van Cancellation Policy

From time to time the Halifax Regional School Board cancels all Stock Transportation. To ensure the safety of all children at After The Bell Inc, the 15-passenger van will not be running on days that Stock Transport is pulled off the roads.

In order to continue to provide quality care, After The Bell Inc will remain open during the school day for students who ride in the van, however it will be the responsibility of parents and guardians to get the students to After The Bell Inc.

Children who walk to school from After The Bell Inc will continue to walk to school on days when Stock Transportation is cancelled.

The Halifax Regional School Board has a cancellation line (464-4636) and they post the details of cancellations on their website (www.hrsb.ns.ca)

The only other time that the van can be pulled off the road is if the driver of the van determines that road conditions are unsafe. In this case, parents and guardians will be contacted with as much notice as possible.
